

Hide & Find Code

Plugin Name: Hide & Find

Description: The child is shown letters in boxes for a second. The boxes are then hidden. The child is asked where a letter is and picks a box they think that letter is hiding behind.

Author: Jeffrey Farnan

CSS Stylesheet

```
h2{ text-align: center;}
```

```
#box6 {  
  width:100px;  
  height:100px;  
  text-align: center;  
  font-size:40px;
